Special Honors in Sarasota

Eternal Reefs is unique in that it is possible for more than one branch of the armed services to be represented by their Honor Guards at one of our viewings. Families that attended our February 7th, 2008 Sarasota viewing witnessed a very special event.

All four branches of the military were represented by

Members of the Reef Ball Foundation staff, board and volunteers just returned from the Cayman Islands. Two Reef Ball teams working on different long-term projects in the Cayman Islands, the Mangrove Restoration Project, the Cemetery Reef Project and the Marriott Beach project. The Monitoring team's work was also supported by the Cayman Department of Environment, Marriott Hotels, Red Sail Sports and special support from Phoenix Bio-Systems for this trip. For more information about our [Cayman Island projects](#), please go to our website at: www.reefball.org

veterans being placed into memorial reefs with the help of their families. The Honors ceremony was held at noon and we were pleased that it was a beautiful day. The Marine Corps, Air Force, Navy and Army participated together in a wonderful ceremony which included a rifle salute and the playing of taps.

When your loved one passes away, help them be part of a living memorial that protects the environment.

Eternal Reefs mission is to create permanent living cremation memorials that preserve, protect and enhance life beneath the sea.

Make a difference.
Create a reef.
